

LIFE 2017

FAQ's:

What is LIFE? Life is a series we do each Winter. Students are placed in one of four color groups for a chance to earn points each week to help them win both a team prize and an individual prize.

Why am I on the team I'm on? We tried VERY hard to put everyone with at least one friend they put on their card. Once we had the four teams evenly set, we picked a group at random and assigned them a color until all four teams had a color.

Why do I do if I don't see my name on a color team?

1. First of all, don't panic! :)
2. Know that we want you on a team! If you didn't fill out a card, we couldn't place you on a team. But we want you on a team—it's not too late to join! Simply contact Bill and he will get you placed on a team ASAP! It's that easy—no worries!

What all can I get points for? On the page after the color teams, there is a listing/sample of everything you can get points for. Be sure and do everything you can to get maximum points for you and your team!

What's new this year?

- We have some new theme nights this year
- Also, we along with one group prize and one individual prize, we have added a SECOND individual prize (an idea that came from a group of our students!).

Team Prize:

*The team with the most points at the end of the seven weeks get to go play Broomball.

Individual Prizes:

#1: If you have PERFECT attendance AND you have earned a total of 45,000 points (not counting the 7,000 bonus for perfect attendance) for yourself, you can also go play broomball even if you were not on the winning team. (45,000 points may sound like a lot but it is VERY doable just being by being present on Sunday's/ Wednesday's, bringing your Bible, dressing in team color, etc.)

#2: CHILL w/BILL Night Out. The top 3 points earners from each team will get a night out with Bill to go out to eat (Bill's treat!) and back to his house for a movie night!
